**REMARKS**

Upon review of the amendment filed February 17, 2005, it was noted that a mistake had been made, inadvertently, in claim 2. The word "amplifier" was deleted but it should not have been deleted. The claim makes no sense with that word missing. Accordingly, claim 2 has been corrected. No other changes have been made.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.

Respectfully submitted,
